Sir,

Subject Re the revision of the pay of the two octroi Inspectors of this municipality from Rs 40/- (fixed) to that of two grades, one on Rs 40-2-50 and the other on Rs 50-2-60

--

I have the honour to state that on the octroi Establishment there are two posts of octroi inspectors with a fixed pay of Rs 40/- each plus C A of Rs 5/- One A C Ramaraj Urs, who is a permanent octroi Inspector on Rs 40/-, has presented an application praying that, as he has been stagnating in his present pay of Rs 40/- from a long time without promotion, his pay may be revised in consideration of his long service and good work It is seen that this official is without promotion for the last five years and that he has put in over 24 years of service and he is on the verge of retirement with a short service The sectional officer has also recommended his case strongly for the revision of pay and fixing the pay of the incumbent at Rs 60/- The octroi revenue ~~from~~ has increased in recent years and there is a steady improvement from year to year involving heavy work while the pay fixed a long time back remains unaltered It was for this reason that the pay of the octroi Superintendent was recently revised and sanctioned in G O No L 5427-8/ Ml 11-44-51 dated 5-12-44

The question of suitably revising the grades of the staff of the octroi section has been pending before the Re-organisation committee As in the meanwhile the representation of the octroi inspector Mr A C Ramaraj Urs was received and his case deserved early sympathetic consideration in view of his long service and also of the fact that as he has very little

Har
X

service, it would add a little to his pension if his pay is enhanced, the subject was placed before the Managing Committee meeting held on 22-10-45 The committee considered the question and recommended to the council the revision of the grade of the two octroi inspectors' in general, one on Rs 40-2-50 and the other on Rs 50-2-60, the present incumbent Mr A C Ramaraj Urs being put in the grade of Rs 50-2-60, in consideration of his long stagnation and good work The council have in their resolution dated 30-10-45 approved of this proposal

In the circumstances explained above, I request that Government may kindly be moved to accord sanction to the resolutions of the municipal council The extra expenditure will be met from the closing balance of the municipality

Copies of the resolutions of the municipal council and the managing committee are herein enclosed The service register of Mr A C Ramaraj Urs is herein enclosed
